

# 2020 Teen Volunteer Information

## Program dates: June 1, 2020-August 9, 2020

High School students, minimum age 15 are eligible to apply for our Summer Teen Volunteer Program. Our Teen Volunteers serve in 4 hour time blocks and only 4 hours per day/one day per week. The Teen and Parent understand to make a commit of a minimum of 8 of 10 summer weeks for at least **4 hours** of service (32 hours). If this commitment is not met, the teen will be excused for remainder of summer and volunteer hours will not be confirmed.

The Teen Volunteer application, proof of 3.0 GPA and letter of recommendation is due in the Volunteer Office by April 24, 2020. Application packets will be reviewed after application deadline and applicants will be selected randomly and notified by telephone.

If selected, the Teen and Parent will be expected to attend the **mandatory** parent/student information session and orientation. If unable to attend, teen will not be considered for the program.

**Monday, May 18, 2020 | 5:00pm-7:00pm**

**Winter Haven Hospital**
